Price List of Young

Ornamental Trees, Shrubs and Vines

For Planting in Nursery Rows

THOMAS B. MEEHAN CO.

Dresher, Penna.

This list of small stock for lining out in nursery rows will be found very complete, but as quantities are limited we urge customers to place orders early so that the stock may be reserved for them.

Our stock is first class, well rooted and will be found to be stronger, heavier and better rooted than is usually the case with this material.
